

Pre-Pharmacy Course Requirements at St. Norbert College

The pre-pharmacy requirements can be completed in a minimum of two years. Many applicants complete the pre-pharmacy requirements during the application process. All pre-pharmacy requirements must be completed with a grade of C- or better. Advanced Placement (AP) courses taken in high school may be used to fulfill pre-pharmacy requirements. All pre-pharmacy requirements must be completed before students start their first day of class in the PharmD program.

St. Norbert College courses that fulfill CUW's requirements are listed concurrently. **This is not the only path to successfully completing the prerequisite courses. Contact us with questions regarding course completion.**

	CUW Requirement	Credits		St. Norbert College Course Name
Science Core Courses	Biology I (w/Lab)	4	BIOL 120	General Biology I
	Biology II (w/Lab)	4	BIOL 121	General Biology II
